ECCENTRICA AT ULTIMATE SUPERCAR GARAGE PARIS

[Paris, January 12th, 2026] Eccentrica is set to take part in Ultimate Supercar Garage Paris, an invitation-only showcase curated by the Supercar Owners Circle, bringing together some of the world's most visionary automotive brands and the most discerning collectors. Hosted in Paris, the event celebrates contemporary supercar culture through design, craftsmanship, and mechanical authenticity—values that sit at the very core of Eccentrica's philosophy.

Salon Rétromobile — Hall 2, Stand B062

January 29 - February 1, 2026

Eccentrica will showcase its interpretation of the ultimate analogue V12 experience, engaging directly with an international community of collectors, entrepreneurs, and enthusiasts who share a passion for rarity, mechanical purity, and bold personal expression.

ECCENTRICA V12 "GREEN DRAGON"

Presented this August at The Quail, A Motorsport Gathering, it stands as a bold and extroverted expression of Eccentrica's most visionary and unconventional spirit.

Finished in a striking Verde Chartreuse pastel exterior, Green Dragon features black exposed carbon-fiber detailing and a meticulously crafted interior combining white leather, Alcantara, and green contrast stitching. White wheels create a dramatic visual counterpoint to the vivid body color, amplifying the car's expressive and unapologetic presence.

This configuration perfectly embodies one of Eccentrica's three worlds: a realm where design breaks boundaries, expression is maximalist, and identity is forged through daring contrasts. Green Dragon is not merely a specification, it is a manifesto on wheels.

ABOUT ECCENTRICA CARS

Headquartered in the Republic of San Marino and led by Emanuel Colombini, Eccentrica Cars specializes in cutting-edge automotive engineering and design. Inspired by the iconic Lamborghini Diablo, Eccentrica Cars aims to create exceptional automobiles inspired by the '90s nostalgia that redefine the future of high-performance vehicles. With a state-of-the-art solution featuring groundbreaking design and unrivaled craftsmanship, Eccentrica Cars offers an unparalleled driving experience for enthusiasts worldwide. Eccentrica Cars' mission is to create restomods that pay homage to tradition while pushing the boundaries of innovation. Its Diablo restomod project, named Eccentrica V12, epitomizes this philosophy, showcasing a car that retains its legendary personality while incorporating modern technical advancements. From the custom carbon fiber bodywork to the updated electronics and state-of-the-art materials, every detail is meticulously crafted to provide an exhilarating driving experience.
